

# BIENVENUE A'PARIS

The Baptist Student Union from Missouri S & T in Rolla made their annual visit to the Arcadia Valley campus in March. This long held tradition is a resident favorite and looked forward to with great anticipation each year. Students spend a great deal of time planning special activities for residents and staff to enjoy. This year was no exception. Students chose a Paris themed three days which included an art class, impromptu musical performances and a Senior Prom.

On the first evening of their arrival, the students are invited to a full course “dining in” with residents. BSU students Abigail Davis and Jacob Johnson dined with Thelma “Nib” Reeder, Lola Watson and Don Hoffmann.

BSU students Brent Hrebec, Thomas Hardwick and Michael Khayat held an impromptu jam session in the atrium.

The first Senior Prom was held on campus. Members of Safe Harbor Hospice and BSU students helped the residents dress up just for the occasion.

Frances Turley enjoyed dressing up for the big event.
