Make sure to check in every now and then for updates and possible changes!

Message from our President:

“WELCOME! I am so glad that you're “here” and reading this. I hope that this will give you all the information you are looking for. If for any reason you can't find something, then by all means shoot me an email or just come on by the BSU. During CoVID-19 we discovered this is more effective than to hand things out to new students. We have compiled a list of important information that you will hopefully find beneficial to your time here at Missouri S&T.” – Evan Moak

The BSU is open Monday through Friday from early to late. Bruce is in the building until around 5pm but the doors are open until about 9pm for studying and hanging out. We would love for you to come join us anytime. You can hang out in the lounge area and just relax or maybe you would rather chill in the Rock Room and study (or look at rocks). We have marker boards up so you can work out those long math problems without wasting paper. There's ping-pong, air-hockey, foosball, and MANY board games that just might pique your interest and give you a break from studying (or a distraction). We just love being able to make it a home away from home and we hope you do as well!

Our topic for Tuesday nights (TNT) this semester is the “Names of Jesus”. It’s a look at the way we may know our Lord through the names given Him in Scripture.

1/18	Introduction:		
1/25	<u>Living Water</u> : (<i>John 7:37-38</i>)	In the ancient Jewish world, “living water” referred to a source of fresh, flowing water that offered cool refreshment. Let’s offer such refreshment to others this week.	Living Water (7 days): https://www.bible.com/en/reading-plans/11381

2/8	YHWH and Yeshua		
2/15	<u>Son of Man</u> : (<i>Matthew 9:6</i>)	Jesus came to show us what it looks like to be fully human and fully alive! We are now included in Christ, so what is true of Him is now true of us.
